MICHIGAN'S FINEST FUDGE!

FUNDRAISING WITH FUDGE

If your nonprofit group is in need of funds and you would like to get started in fundraising or if you're simply looking for a new idea for this year's fundraiser, DRUMMOND ISLAND FUDGE can help. Over the years, we've developed a program called *Fundraising with Fudge* that's both innovative and easy to put in place. Fudge is a high profit generator that outperforms most other fundraising products.

Our fresh made to order homemade fudge is great for fundraising because it's a gourmet product that's not commonly available, making it highly desirable. It's delicious, creamy and always made fresh. Fudge always makes a wonderful gift for any occasion. You can choose several ***Fund Raising with Fudge*** programs based on your timelines, resources and fundraising objectives, such as:

- Taking orders from friends and family
- Setting up a bulk fudge table at your own organization's festival or other events
- Selling bulk fudge at other events or in large retail stores
- Selling coupons to be redeemed at our store
- Selling business gifts with fudge in volume to your local firms

We'll provide the expertise, collateral training, and most of all-our fresh delicious homemade fudge, to ensure that your fundraiser is a big success! Learn more about our ***Fundraising with Fudge*** programs by emailing us at gourmet@alphacomm.net or calling us at 1-906-493-5507. We will be happy to meet with you in person or via the Internet or phone to review which fundraising program best suits your needs.
